

### CHINESE LANGUAGE AND CULTURE LESSON PLAN 3

**Grade Level(s):** 6, 7, & 8

**Topics Covered:** Language items & Cultural areas

**Materials Used:** Internet site

**Lesson Overview:**

- Geography of China: We talk about some basic information, went to the library to do research, and the students' finished the presentation based on their report on one topic--the Grand Canal, the Great Wall, the one-child policy, the Three Gorges Dam, or any Chinese city.
- Colors: We learned the characters, talked about students' favorite colors, did some coloring, and played some games involving colors.

**Problems Encountered:**

- 6th Grade students have a hard time concentrating for long periods of time. Some students are very talkative.
