

IN MANCHURIA

A VILLAGE CALLED WASTELAND
AND THE TRANSFORMATION
OF RURAL CHINA

A photograph of a man and a young child on a bicycle in a snowy, industrial landscape. The man, wearing a dark blue jacket and a brown fur hat with earflaps, stands behind the bicycle, holding the child. The child is wearing a tan jacket, a grey knit hat, and red mittens, and is sitting on the bicycle. The ground is covered in snow and ice, with tracks visible. In the background, there are industrial buildings, smokestacks, and a train. The sky is overcast.
