

# 2020 Annual Campaign

NATIONAL  
COMMITTEE ON  
U.S.  
CHINA  
RELATIONS

# Thank You

**W**e very much appreciate your joining the National Committee on U.S.-China Relations' 2020 Annual Campaign, and want to thank you for your strong support.

The National Committee has traditionally held annual Gala Dinners to recognize our corporate members and major donors. However, due to COVID-19, we transitioned to hosting special virtual programs open exclusively to this year's supporters. We hope you enjoyed participating in these programs and had the opportunity to interact directly with members of the National Committee's network.

We look forward to creating additional engagement opportunities for our supporters. With tension between the United States and China at its highest since the 1972 rapprochement, the National Committee's mission has never been more critical.

We thank you for your support as it enables the National Committee to continue the programs and initiatives that strengthen communication channels and understanding between our two countries and help secure a peaceful and prosperous world for the next generation.
